**SPC
PERFORMANCE.**

Instruction Sheet Domed Foot

This part should only be installed by personnel who have the necessary skill, training and tools to do the job correctly and safely. Incorrect installation can result in personal injury, vehicle damage and / or loss of vehicle control.

Read instructions completely before beginning installation.

Required Tools:

- 1/4" pin style spanner

#25602 - Delrin, Hard

#25604 - UHMW, Medium

#25605 - 90 Durometer Rubber - Medium Soft

#25611 - 75 Durometer Rubber - Soft

Using the Domed Foot:

The Domed Foot is the most traditional form of bumpshock end. It is a replaceable shaft end foot with a spherical surface that allows for multiple angle contact with a flat plate target. Made from high impact plastic, it also tolerates scrub motion very well. The OD spanner wrench holes allow for easy installation and removal.

For more information regarding applications and use of the JounceShock end mounts and adapters please refer to the Technical Information section of our website www.lightracing.com.

There is no warranty stated or implied due to the inability to monitor the part's modification, installation, and use, except that Specialty Products Company warrants its products to be free from defects in material and workmanship for 90 days after purchase under normal use. In that case, parts returned must be determined by Specialty Products to be defective and Specialty Products's obligations under that warranty are solely limited to repairing or replacing, at its option, any part proven defective.

Final determination of the suitability of the parts for use contemplated by the buyer is the sole responsibility of the buyer. Specialty Products Company shall not be liable for any special, direct, indirect, incidental, or consequential damages that might be claimed as a result of the failure of any part, including claims for delay, loss of profits or labor. Specialty Products Company shall not be liable for any damage or injury to persons or property resulting from improper installation or misuse of any part subject to this warranty. There are no other warranties expressed or implied extending beyond those set forth above.
